

2024 U.S. Department of Defense HBCU/MI Summer Faculty Research Fellowship

Deadline to Apply

Wednesday 01/31/2024

The Department of Defense (DoD) Office of the Under Secretary of Defense for Research and Engineering OUSD(R&E) will begin accepting applications for the 2024 HBCU/MI Summer Faculty Research Fellowship on November 15, 2023. Ten selected fellows from Historically Black Colleges & Universities (HBCU) and Minority Serving Institutions (MI) will be paid a \$25,000 stipend to participate in research for ten weeks during the Summer of 2024. Each fellow will also receive a \$3,000 allowance for research materials, supplies, and travel expenses.

Eligibility

- Must be a citizen of the United States
- Must be current HBCU/MI STEM faculty member
- Must not have collaborated with a DoD Laboratory in the past five years.
